**REQUEST FOR RCE AND RESPONSE TO THE OFFICE ACTION MAILED JULY 7, 2009
AND THE ADVISORY ACTION MAILED NOVEMBER 10, 2009**

Dear Sir:

With a Request for Continued Examination (RCE) and a petition for a one-month extension of time, Applicant submits the following remarks in response to the Final Office Action mailed July 7, 2009 in connection with the above-identified application.

Amendments to the Claims begin on page 2; and

Remarks begin on page 7.

Along with this response, Applicant is submitting the large-entity RCE fee and the large-entity one-month extension of time fee. Applicants respectfully submit that the time period for reply should have been reset by checking box 1(b) on the Advisory Action to be the mailing date of the Advisory Action (which was November 10, 2009). In response to the Final Office Action mailed July 7, 209, Applicants submitted their First Reply to provoke the Advisory Action on September 8, which was timely filed by the two-month time period for reply that expired on September 8th due to the Federal Labor Day holiday on September 7th. A First Reply is deemed to be timely filed within the two month period when filed the day following a Federal holiday pursuant to MPEP 706.07(f). Applicants submit that this RCE and Response is therefore due with a one month extension of time up to and including December 10, 2009. In the event that Applicants are incorrect, Applicant requests in the alternative a two-month extension of time and authorizes the Director to charge any and all necessary fees to Deposit Account Number 132490.
